SHOEBOX MESSAGE

One more Sunday before Packing Saturday on October 23rd at 1:00 pm!!!!!

Have you packed your personal Shoebox? Is it ready to go? Then bring it next Sunday to add to the excitement of sharing God's love to those who likely do not know Him yet.

If you're not doing a personal Shoebox, that's fine. But if you have some things about that you picked up thinking you might be able to gift them, now is a great time to do so. Think about the children who have never received a gift in their entire life. Think about the excitement when they open that box and find things they may never have seen before, such as new clothes like socks, t-shirts, underwear, or their own comb, toothbrush, wash cloth and bar of soap. How about their own coloring book and crayons or a pencil case with pens, pencils, erasers.

These seemingly common place items we take for granted may never have been available to many of the children who receive these Operation Christmas Child Shoeboxes. So if you aren't doing your own shoebox, and you don't want to be bothered with packing one, how about picking up a few items to be included in the packing party and bringing them to church next Sunday.

Remember Ellie said she'd be your personal shopper if that is your desire. (A couple people have already taken her up on that offer. Thanks to them.)
